- Register by filling in the table at the end of this communication and send it to [marketops@ops.semopx.com](mailto:marketops@ops.semopx.com) in order to participate (deadline 12<sup>th</sup> February)
- Review the Trading on Behalf Procedure [here](#)

Dear Member,

We are pleased to inform you that an SOBT test is scheduled for 16<sup>th</sup> February 2021. This test will be an opportunity for you to get familiar with the SOBT process.

SOBT is the procedure to transmit orders in case several members cannot connect to the ETS client, but the system is available on Market Operations' side. If activated, members will receive emails with a link to the SOBT platform, where they can:

- download the order template files to be used for the respective auction,
- upload their orders using the corresponding bidding templates.

We recommend to review the Trading on Behalf procedure, which is available on our website.

The SOBT test will take place on the 16<sup>th</sup> February 2021. Please find below the necessary information. Market results will be published shortly afterwards.
