

Clearing Circular 46/2025
Leipzig, 15.08.2025

Scheduled maintenance of ECC's clearing system SMSS

Targeted recipients of this Clearing Circular:

All members with access to ECC Member Area and FTP Server

On **23 August 2025** from **9:00 CEST to approximately 17:30 CEST**, ECC will perform maintenance on the **production environment** of the **ECC clearing system SMSS**, the **ECC FTP Server and ECC Member Area**. During this time, the applications mentioned will not be available.

Please note the following impacts during this maintenance:

- **Availability:** During the migration, both the ECC Member Area and ECC FTP Server will be **unavailable**. This includes the non-availability of provision of reports, report downloads from ECC FTP Server and ECC Member Area as well as access to ECC Member Area. As soon as the maintenance is completed, ECC will provide the reports to the ECC FTP Server. However, the 24/7 spot clearing process will not be interrupted as such, including the continuous provision of nominations to TSOs.
- **Report delivery:** There will be a **delay in report delivery** after this maintenance is completed.
- **Data Availability:** The **availability times for data and reports on the ECC FTP Server will be adjusted**.

Please ensure to download all necessary information before the start of the maintenance work.

We appreciate your understanding and cooperation during this maintenance period.

In case of any questions, we are at your disposal at clearing@ecc.de.
