

Scheduled maintenance of ECC's clearing system SMSS

Targeted recipients of this Clearing Circular:

All members with access to the ECC Member Area and FTP Server

On Saturday, **20 September 2025** from **14:00 CEST** to approximately **20:00 CEST**, ECC will perform maintenance on the **production environment** of the **ECC clearing system SMSS**. During this period, the **ECC FTP Server and ECC Member Area will be unavailable**.

What does this mean for you?

- Trades will still be cleared but will only be visible in the ECC Member Area after the maintenance downtime.
- Nominations will be provided continuously during the downtime.
- Reports will be available on the ECC FTP Server with delay after the downtime.
- During the maintenance downtime the following actions will **not** be possible:
 - report downloads from the ECC FTP Server and ECC Member Area,
 - adjustments of limits,
 - creation of Registry Transfer Requests.

We kindly ask you to adjust the schedule of your processes for retrieving data and reports from our systems.

We appreciate your understanding and cooperation during this maintenance period.

In case of any questions, we are of course at your disposal at clearing@ecc.de.
