**SEMOPx Decision in relation to SPX\_03\_25 Housekeeping Mod to remove references to Schedule A.2 from SPX\_01\_21**

Dear Exchange Members,

On 23<sup>rd</sup> October 2025, SEMOPx submitted its Modification Proposal Form regarding the SEMOPx Operating Committee Procedures in accordance with Paragraph J.2.1.1 of the SEMOPx Rules.

The Modification Proposal was discussed at the Exchange Committee Meeting 16 on 13<sup>th</sup> November 2025. The Modification proposes to update the SEMOPx Operating Procedures to remove the final remaining reference to Schedule A.2, which is no longer applicable following the implementation of SPX\_01\_21 Updates to SEMOPx Operating Procedures as a result of UK-EU TCA.

This Modification seeks to remove all references to Schedule A.2, as it is no longer applicable to SEMOPx's operating procedures following the implementation of modification SPX\_01\_21, which rendered the associated Market Coupling Contract Specifications obsolete.

This Modification proposal furthers the SEMOPx Principles (c) above by ensuring:

- that members and markets are provided with accurate reporting of the SEMOPx operating procedures which now reflects the omission of schedule A.2 due to modification SPX\_01\_21

If this modification is not implemented, the SEMOPx Operating Procedures will continue to reference Schedule A.2, which is no longer relevant or in use. Updating the procedures is therefore essential to ensure they accurately reflect current operational practices.

The below impact was highlighted:

- The SEMOPx Operating Procedures need to be updated, which will be achieved through this modification. There are no foreseen updates required to the associated SEMOPx Operating Procedures Glossary, SEMOPx Rules or SEMOPx Rules Glossary in this context as the required changes are limited to the SEMOPx Operating Procedures.

Considering Modification Proposal SEMOpX SPX\_03\_25 and in accordance with Paragraph J.4.2.1 of the SEMOpX Rules, SEMOpX approves Modification Proposal SEMOpX SPX\_03\_25. An update to SEMOpX Operating Procedure will apply from the date of this decision letter.

Yours sincerely,
